## ***Get your books early***

Be sure to purchase your textbooks as early as possible, as this will allow adequate time for the stores to order a copy for you if they are out of stock. Alternatively, this will allow you time to order your books online if you wish.

**Do not** wait until the last minute to get your books, or you may end up not having all your required materials until later in the semester. It is imperative that you make an effort to get the materials you need well before classes begin, while they are in stock.

## ***Contact the Textbook Coordinator***
