

It is hard to believe that orientation is just a little over two weeks away. We are all very excited about your arrival and I wanted to touch base on a few topics today.

1. If you have not already purchased the required orientation textbook please do so before **August 6<sup>th</sup>**. We received notification from the publisher that there has been a backorder, however, ALL orders that have already been placed AND all orders received prior to August 6<sup>th</sup> will be shipped out on August 6<sup>th</sup>. Standard shipping may take 3-5 business days. If you will be in transit, please make sure that you use your local Tallahassee address for shipping purposes.
2. You can expect to receive an email next week from Elizabeth Boyette, the Registrar at the law school with your fall schedule of classes.
3. Once you receive your schedule you will be able to purchase your textbooks.
4. We will begin registering you for your fall classes by the middle of next week. Please note that **if** you have not submitted ALL the required documents for your Health History Form AND Proof of Insurance to Thagard Student Health Center by the time we try to register you for your classes, **we will NOT be able to register you for your classes until both items are received by Thagard**. If you are unsure of your status with Thagard Student Health Center call 850-644-3608 to verify receipt of your documents.
5. Tuition and fee charges will appear in your Blackboard account as soon as we have registered you for your classes.
6. Your courses will be available in your Blackboard account as soon as we have registered you for your classes.

Have a fantastic weekend!

Sincerely,

**Jennifer L. Kessinger**

Director of Admissions and Records  
Florida State Law
