

Endangered Ecosystems Seminar (First Two Weeks)

Reading for first two classes: (1) Heinz Center State of Ecosystems - Highlights (posted on course library page and available at <http://www.heinzctr.org/ecosystems/>), and (2) Millennium Ecosystem Assessment Popularized Synthesis (posted on course library page and interactive version available online at <http://www.greenfacts.org/en/ecosystems/index.htm>). For week two, find a source that relates the material covered in the Heinz and MEA readings to a legal or policy context. The source may be a journal article, case, NGO website, etc. Come prepared to discuss your source and its law and policy dimensions.
