Conferring of Degrees

Students in joint-degree programs receive both degrees concurrently. Students may not be certified as a graduate without having completed the graduation requirements in both the College of Law and the Department of Sports Management. This includes the Law upper-level writing requirement, the skills training requirement, and the pro bono requirement.

Residency Requirement

Unless otherwise approved by both advisors and the College of Law Associate Dean for Academic Affairs, students enrolled in joint-degree programs must earn a minimum of seven semesters of residence credit. Based on the College of Law formula for determining residency, one semester of residency credit is earned for every 12 credit hours of courses taken in the College of Law and the Department of Sport Management.
