CLERK OF DISTRICT COURT

Deputy Clerk

Dear Judge Patterson:

Thank you for soliciting my comments on the proposed rule concerning Title IV D Hearing Officers.

I feel that I am correct in stating that the judges of the Third Circuit are unanimously opposed to the "special masters" concept. We have not had any problems to date that warrant masters, rather than judges, hearing Title IV D support actions.

Support actions, be it child support or alimony, are very important, emotional areas and should not be lightly regarded nor shuttled off to a non-judicial hearing officer.

If funds are to be expended to upgrade support enforcement, I strongly feel that additional circuit judges would be far more economically prudent and effective than the establishment of many "hearing officers".

In comment on the wording of the proposed rule, if it must be adopted, I suggest that the word "may" be substituted for the word "shall" in paragraphs (b), (c), (d) and (e).

Respectfully submitted,

  
John W. Peach  
Chief Judge
