RE: Case No. 74,538
Pro bono proposal

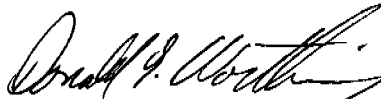

Dear Mr. White:

I wish to convey two concerns regarding the proposed Pro bono rules, and one comment.

1. How will the requirements be applied to out-of-state members of the Florida Bar?
2. How will the requirements be satisfied by members of the judiciary? Especially those holding office outside Florida.

My comment is that I do not believe that Pro-bono should be a matter that is required and minimums established, each attorney should be able to provide pro-bono legal services sufficient to satisfy his or her own conscience. Morality cannot be legislated.

Very truly yours,

Donald E. Worthing
