CASE NO. 77,623

IN RE: COMMISSION ON FAMILY
COURT RECOMMENDATIONS

**
**

THE CREATION OF A SEPARATE
FAMILY COURT FOR THE 11TH
JUDICIAL DISTRICT OF
FLORIDA (DADE COUNTY) WOULD
BE IN ITS WORST INTEREST

TO: The Honorable The Justices of the Supreme Court of Florida

The undersigned has been an active civil litigation practitioner since his admission to the Bar in June, 1951. The undersigned's practice is not limited to family law; however, he is involved with a number of cases each year, and therefore is familiar with that practice, and, in particular, how it functions in the Eleventh Judicial District of Florida (Dade County).

The undersigned fully and completely supports the statements and well-reasoned logic submitted by Daniel Neal Heller in opposition to a recommendation for a separate family court.

Respectfully submitted,
