Dear Mr. Mathers:

I would like to take this opportunity to express my interest in an associate position with Dre, Mathers, & Jackson LLP. Your firm is of particular interest to me because of its prominent family law practice and commitment to “doing good by doing well.” As my enclosed resume reflects, my concentration during law school has been in the area of family law. I am looking forward to continuing in that specialty following my graduation from Florida State University College of Law in April 2009.

Last summer I worked as a legal intern with the Mayor’s Commission on Violence Against Women in Washington, D.C. During that time, I attended COVAW’s Annual Symposium at which you were a guest speaker. Your comments about the wide-reaching impact of domestic violence and your firm’s dedication to combating this problem served to reinforce my interest in Dre, Mathers, & Jackson.

As a native of the Detroit metropolitan area, I am looking forward to returning there to practice law. I will be visiting my parents in Mt. Clemens during the week of December 1st, and I would welcome the opportunity to interview with you at your convenience. I will contact your office the week of November 14th to confirm receipt of my information, answer any questions you may have, and see if we can find a time to meet in person while I am in town.

Thank you for your consideration.

Sincerely,

Michael Jones
