Dear Mr. Parker:

As you know, I am completing my last year of law school at Florida State University and will be graduating in May of 2009. I am beginning to put some “feelers” out in advance of the completion of my degree and would appreciate any advice and referrals you might be able to give me to assist me in my job search.

Enclosed you will find my resume. As you may note, I have spent a summer clerking for Davis, Rodriguez, Ash, and Flury, a local firm, which has a reputation for encouraging its attorneys to do pro bono work and get involved in the community. I also completed an internship during my second year with Wakulla Springs Legal Aid, working in their consumer law department. Ideally, the position I am looking for would be at a small to medium sized general practice law firm that would allow me some freedom to continue my work with helping to provide legal services for the indigent. I prefer to remain living within Florida but would relocate in the right circumstances.

If any situations come to mind where you think my skills and background would fit, or if you have any suggestions as to others whom it might be beneficial for me to speak, I would appreciate hearing from you. You may contact me at (913) 575-3434.

Thank you for taking the time to assist me. I look forward to hearing from you.

Sincerely,

Eva Longoria
